KENNEL-TUFF

PLASTIC KENNEL FLOORING

Southwest Agri-Plastics manufactures **KENNEL-TUFF** in Dallas, TX and have over three decades of experience in manufacturing plastic products for the agricultural industry. We manufacture the best quality products at the best price.

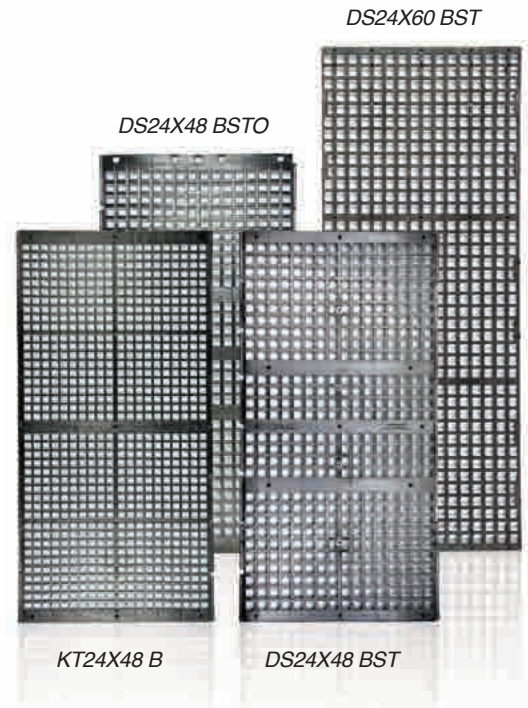

Cleanability - Non-porous surface with square openings 7/8" x 7/8" or 1.1" x 1.1" provide a clean comfortable floor that keeps animals healthy and happy. Withstands high-pressure washing and disinfectants.

Durability - **KENNEL-TUFF** is made out of high-impact polypropylene plastic providing superior impact & wear resistance. Will not rust, rot, or corrode. U.V. additive provides excellent U.V. resistance.

Performance - Smooth surface reduces pad problems and inhibits the growth of bacteria. Available in four models with overlapping or non-overlapping styles that can be customized to fit your specific need.
