

DURA-TUFF 18" x 24" Nursery Floor

The Dura-Tuff 18"x24" Nursery floor when used with the 5" tall Dura-Tuff Fiberglass Support Beams can clear span up to 10' in nursery applications. In applications where a clear span of more than 10' is required, our Dura-Tuff Leg Support System can be utilized to increase this span. The maximum height for the fiberglass support leg is 36".
