

DURA-TUFF 24" x 24" Nursery Floor

The Dura-Tuff 24"x24" Nursery floor is designed to be our most economical flooring. In conjunction with the 5" tall Dura-Tuff Fiberglass Support Beams this flooring can clear span up to 9' in nursery applications. In applications where a clear span of more than 9' is required, our Dura-Tuff Leg Support System can be utilized to increase this span. The maximum height for the fiberglass support leg is 36".
